

KINGS FOREST CARAVAN PARK – COVID 19 GUIDANCE

Firstly we would like to welcome you to Kings Forest Caravan Park, whether you are new or returning customers.

With the current Covid 19 situation in mind, we kindly ask all customers to be responsible in their actions for themselves and be aware of others, and also remain alert.

- Please maintain the current social distancing guidelines, especially in or around the showers, toilets and the pot-wash areas.
- There are hand sanitizers in the toilets – please use them.
- There are sanitizer sprays and cloth in the ‘pot wash’ areas – please use them to wipe down the area after you have finished.
- Please wipe down all other areas when possible.

Our facilities are available for everyone to use, and we hope that people will be mindful of others using them afterwards.

Thank you

Leigh & Jane
